## **EON APPRECIATES CINEMA LEGEND**

EON presented the new Mitsubishi Xpander for Tokoh Seri Angkasa 2022 Award

---

**SHAH ALAM, Friday, 25 November 2022:** In the recent Anugerah Seri Angkasa (“ASA”) 2022 that was held on 30 October 2022, Fauziah Nawi, a prominent and veteran actress was honoured as the recipient of the Tokoh Seri Angkasa award. By winning the prestigious award, the 69 years old received a RM10,000 cash prize, a trophy and was surprised with a new Mitsubishi Xpander car sponsored by DRB-HICOM Berhad (“DRB-HICOM”).

Today, DRB-HICOM through its wholly owned subsidiary, Edaran Otomobil Nasional Berhad (“EON”) presented the car to Fauziah. The new Mitsubishi Xpander car, worth of RM100,000 was handed over by Mahmood Razak Bahman, Head of Group Strategic Communications of DRB-HICOM. The ceremony was also attended by Akkbar Danial, Head of Automotive Distribution of DRB-HICOM and Chief Executive Officer of EON and Fauziah’s family members.

“As a conglomerate and a concerned corporate citizen, DRB-HICOM is sensitive to the well-being of the community, including the entertainment community by supporting their needs and helping to improve their daily lives,” said Mahmood.

Meanwhile for Fauziah, having lost her car four years ago, due to a fire, the gift was an answer to her prayers, as she could not afford a loan due to her old age. She added that she had to rely on the help of family members or e-hailing and her children for transportations. Upon receiving the car, Fauziah was full of praise at the sight of the seven-seater vehicle.

EON, a Malaysian multi-brand automotive retailer with over three decades of presence in the market is proud to be part of this important moment for Fauziah and will remain an advocate of the local film industry and its association with the creative landscape. Akkbar also add that he believes in giving back to the community it serves, especially to those in need and deserving. The contribution is part of EON’s gesture
